The Flathead Home Educators Association has been around for nearly 30 years. This umbrella organization is a resource whose main purpose is to encourage families that have chosen to educate their children at home. We provide networking both locally and state-wide. Information about us can be found on our website at [www.fheaonline.org](http://www.fheaonline.org). The membership fee this year has been reduced to \$15.00 per family due to the discontinuing of *The Homeschool Herald* monthly magazine. Some of the things we support, organize and/or oversee are: The annual Homeschool Kickoff, our FHEA website, the monthly support group, Spelling Bee, Geography Bee, Senior Banquet, Graduation, and lobbying in Helena. **FHEA members receive a discount for HSLDA membership.**

Besides your financial help, we as a group depend on volunteers. Please consider what your family can do to strengthen homeschooling this year. Please circle which areas you would be interested in helping.
